PROFILE

Experienced and skilled in building scalable, high-performance web applications, I specialize in both front-end and back-end development. Proficient in React.js, Node.js, Express, and MongoDB, I deliver seamless user experiences and robust solutions. With expertise in Agile and DevOps, I lead teams, mentor junior developers, and ensure timely, high-quality project delivery. Passionate about solving complex problems and continuously learning new technologies to drive innovation.

WORK EXPERIENCE

Freelancer

2025.7- PRESENT

Senior Marketing Strategist & Team Leader

After exiting my contract with Palo Alto Networks in June 2025, I transitioned to freelancing, providing tailored marketing strategies and brand development solutions. I specialize in driving ROI, optimizing marketing budgets, and leading teams to execute results-driven campaigns aligned with client goals.
